

January 6-9 Las Vegas, Nevada

LEARN HOW TRIGENCE CAN REDUCE THE POWER IN YOUR PORTABLE PRODUCTS

Meet with us at CES 2015

Hilton Grand Vacation Suites at the Las Vegas Convention Center
455 Karen Avenue, Las Vegas, NV 89109

To schedule a private meeting, call or email:

+1 (831) 295-2958, pete.birch@trigence.com

Trigence will be demonstrating the latest Dnote[®] enabled products including Audio-Technica's flagship ATHDN1000USB headset, along with the latest Dnote[®] ICs and reference designs.

In addition, we will be unveiling our groundbreaking D-Assist[™] digital speaker enhancement technology. D-Assist[™] delivers reduced power, increased loudness, and enhanced audio quality in portable and mobile applications.

Audio for the Digital World
